Welcome to Kouyanet, the online home of Eddie and Sue Arthur. For over thirty-five years, we have worked with Wycliffe Bible Translators, you can read more about us here.

## Services

Eddie is able to provide advice and analysis for mission agencies, churches and others who are involved in world mission. There is more information and a contact form here.

You can find blog posts here.

There are a number of documents available for downloading, including reports which examine the mission agency and sector as well as archives from Kouyanet. We are also selling off some of our books as we move towards retirement.
