PUTTING THINGS IN PERSPECTIVE

Posted on October 16, 2019 by Eddie

Can we in the West take a step back, take a deep breath and look at the bigger picture? We have brothers and sisters globally (their kids included) facing real threats to their life for trying to reach their neighbors with the Gospel
Category: Observations

After yesterday's post about charity law, I thought it would be worth posting this little thread that turned up on my Twitter feed this morning. Steve Schirmer is president of a US agency which works in Asia.
