VIABLE OR RELEVANT

Posted on November 3, 2020 by Eddie

Some thoughts on the big questions faced by mission agencies.
Category: Observations

While it is not a simple binary choice, mission agencies tend to focus on whether or not they are viable; whether they have the resources and support to continue. They spend less time thinking about whether or not they are relevant to God's mission today. This 15 minute video explores the reasons why agencies may not be relevant and considers some approaches to address the question.
