# INTERVIEW: MICHAEL STROOPE

*Posted on February 5, 2021 by Eddie*

"Our Lord tells us that we are to be his witnesses... his gospel is the power to transform every life" Michael Stroope.
**Category:** Observations

I've mentioned a few times that Michael Stroope' books Transcending Mission: The Eclipse of a Modern Tradition (IVP 2017) and Transcending the Modern Mission Tradition (Regnum 2020) are essential reading for anyone who wants to understand where mission is going today. You don't have to agree with him, but you do need to think through what he is saying.

In this 25 minute interview, Mike talks about what it is that motivates him to be involved in mission and why he thinks we need to change the language that we use.

If you won't read the books, at least watch the interview (and then read the books)!
