VIABLE OR RELEVANT

Posted on February 23, 2021 by Eddie

Is what mission agencies are doing and the way that they are doing it relevant to a world which is very different to the one in they agencies emerged?
Category: Observations

One of the key questions which tends to occupy the minds of mission agency leaders is whether or not the agency is viable. Do they have the financial and human resources that they need in order to continue to function. However, in a changing world, a much more important question is whether or not those agencies are relevant. Is what they are doing and the way that they are doing it relevant to a world which is very different to the one in which agencies emerged? This fifteen minute talk explores this question.
