THE OBVIOUS THING ISN'T ALWAYS THE RIGHT THING

Posted on August 6, 2021 by Eddie

In this interview, Steve Schirmer shares about the way God is at work in the world today and the challenges that this poses for traditional mission work.
Category: Observations

Steve Schirmer is the founder and president of Silk Road Catalyst and is one of the most refreshing thinkers on the mission scene.

In this video he talks about his journey in mission and his conviction that we need to rethink our approach to mission in a changing world.

You can follow Steve on Twitter:

The Silk Road Catalyst website is here.

Steve's ebook on legitimacy in mission is here (see my review).

Steve mentions two books that he has found helpful:

The Insanity of God and Something Needs to Change.
