Surprisingly, Tim Chester's excellent little book on the Trinity (Delighting in the Trinity: Just Why are Father, Son and Spirit Such Good News?) is about to go out of print in the UK. If you haven't read it, you really should get a copy while it's available. It isn't a difficult read. Tim is as surprised as I am that it is going out of print, read his reaction (and buy copies if Amazon are out)Â here.
