THE FAILURE OF THE FIRST PROTESTANT MISSIONARIES

Posted on January 21, 2022 by Eddie

A great watch, listen or read for anyone interested in the history of mission or the history of the Reformation.
Category: Observations

This video is part of a series on The Hidden History of How Protestantism Went Global from Gresham College. If you are interested in the history of the church or the history of missions, you really should invest some time in watching one or all of the videos.
