BLOGGING CODE OF CONDUCT

Posted on February 14, 2009 by Eddie

Category: Computing/Internet

> *It really is high time we developed a Christian ethic of blogging. Bad temper is bad temper even in the apparent privacy of your own hard drive and harsh and unjust words when released into the wild, rampage around and do real damage. And as for the practice of saying mean and untrue things behind a pseudonym - well, if I get a letter like that it goes straight into the bin.*

Tom Wright from Justification: God's Plan & Paul's Vision p.10
