Facing the Challenge are running a survey of the training needs for church and cell group leaders. If you fit into either category (or if you have a friend who does) take a look at this link. Everyone who fills out the survey will have the opportunity to win a Â£25 Amazon token.

Question to self. If I'd been able to enter the survey, would I have been so keen to let other people know about it and so reduce my chance to win the Amazon token? I'll never know!
