# PRESENTATIONS

*Posted on April 17, 2009 by Eddie*

**Category:** Observations

I've just loaded a couple of my older preentations onto Slideshare. The first one is a lecture I give, which will be much less fun without my dulcet tones and enthusiastic leaping around, but you might find it interesting. To be honest, I need to make some serious changes to this presentation, especially after reading this.

Gods Project Full
