THE CHURCH IN 2020

I was one of the contributers to an article on the future of the British Church in the latest edition of Christianity Magazine. Unfortunately, they've not chosen to put the article on the website, so if you want to read my thoughts on what overseas mission will look like by 2020, you'll have to pay for a copy. Sorry about that - but they do have to make their money somewhere.

I've got a book to review for them this month and the review should appear online in a wee while, if that is any consoloation!

If you read the article, I'd be interested in your thoughts on the bits about mission - leave a comment if you can.
