WHY DO THEOLOGY?

Posted on October 7, 2009 by Eddie

Category: Theology

Clayboy has just posted a little gem on 'What is the point of theology?'.Â He kicks off with a few tongue in cheek comments including:

> *To make everything more difficult than it needs to be*

He ends his short piece with a quote from Evagrius of Pontus which is well worth reading (so go to his post now and read it).
