THE CHURCH IN THE NORTH

Category: Church: World

I have to give a presentation on the Church of the North (Europe and North America) at the Global Connections Conference in a couple of weeks. I have some ideas as to what I should say and I've got a couple of books to read, but I thought I'd ask the erudite readers of this blog to contribute their thoughts and ideas. What do you see as the defining characteristics of the Northern Church? Please use the comments.
