[Better Bibles Blog: Luke 2:16 How many were in the manger?]

The NRSV has the following wording for Luke 2:16

> *So they went with haste and found Mary and Joseph, and the child lying in the manger.*

If you think about it, this is rather confusing. How many people were in the manger? Just Jesus? or were his parents in there with him? Wayne Leman has a very interesting post on his blog about how different Bible translations deal with this - which is a problem in English, but not in the original.
