# THE BIBLE IN TODAY'S SOCIETY

*Posted on November 6, 2010 by Eddie*

**Categories:** Bible Translation, Church: UK, Church: World

This is the sermon that I preached at Christ Church Flackwell Heath on Sunday October 31. There areÂ  a couple of videos in the middle of the sermon which probably won't work very well on the MP3. There is also a segment where I ask people to come forward and share their expriences of hearing God speak.
