LIFE CHANGER

The best thing about Twitter is that it has brought me into contact with some remarkable people. A couple of months ago, I spent a day an hour or so with Jason Ramosami, whom I first came into contact with on twitter. Jason is an RE teacher, who is an illustrator in his spare time. He has just published an excellent illustrated guide to the life of Jesus called, Life Changer. This is well worth getting your hands on (and it's not expensive, so you can afford to give it away).

If you'd like to see more of Jason's work, he did the illustrations for my booklet .
