BOOKS I HAVE READ: MURDER IN MALMO

Posted on July 20, 2013 by Eddie

Category: Reviews

I readÂ Murder in MalmÃ¶Â shortly after reading and enjoying Meet me in MalmÃ¶ by the same author. All I can say is that if Torquil MacLeod wants to keep on churning out mystery novels withÂ alliterativeÂ titles, set in Sweden, I'll keep reading them. Especially, if they stay relatively cheap on Kindle.
