GOODBYE IAN PORTERFIELD

One of the happiest days of my life was the day of the 1973 FA Cup Final. On that day, second division Sunderland beat the mighty Leeds United one nil, and my home town went crazy. Ian Porterfield, the scorer of the only goal that day, died today. There is a very affectionate report on the BBC website which any Mackams should read. For me, it's a great memory of one of the happiest days of my childhood.
