BLOGGING: THREE THINGS

Firstly, thank you to all of those who made encouraging comments about this blog. I very much appreciate them. Blogging is an odd medium and encouraging feedback is really helpful.

Secondly, I've added a facility to this blog that allows people to link comments on Kouyanet to their Facebook account. I've got no idea how (or if) this will work. The idea is that it will draw more traffic here, but I don't want to be a pain. I wonder if a few people would be brave enough to try it out. What I really want is some way to make the comments that people make about blog posts on Facebook also appear here, but I can't find a way to do that.

Thirdly, I've been thinking for a while of doing a regular-ish podcast on Bible and Mission issues. The idea would be to have some interviews and stories and some more theological pieces along the lines of much of the material that appears here. The question is, what should I call it? I am tempted by the nameÂ *The Mission of Pod*, but I fear it is a tad too disrespectful.Â *Missio PeiÂ* is just too geeky which leaves me with the rather dullÂ *MissioPod*. Do you have any thoughts or suggestions?
