I THINK I'M GOING TO LIKE THIS BOOK

Posted on March 22, 2014 by Eddie

The astonishing ability of Christian faith to embed its truth in the life of widely diverse and endlessly changing cultures is the key to is growth, durability, and vitality through time and across geographical space.
Category: Church: World

> *The astonishing ability of Christian faith to embed its truth in the life of widely diverse and endlessly changing cultures is the key to is growth, durability, and vitality through time and across geographical space. Christianity rests on the conviction that God became flesh and blood in Jesus. This incarnational foundation projects Christianity into an ongoing pilgrimage, constantly asking how it finds expression and vital witness in the world's changing history and culture.*

From Times Square to TimbuktuÂ by Welsey Granberg-Michaelson (p.3).
