Who knows, this might grow into a series, but for the moment, you can read one good explanation as to why a Christian belief in the Trinity is important here.

> *"I believe in an Almighty God," said President Bush in an interview with Al Arabiya, "and I believe that all the world, whether they be Muslim, Christian, or any other religion, prays to the same God. That's what I believe."*

> *The President's attempt to promote a monotheistic ecumenism among the world's religions is noble but misguided. Neither Muslims nor Christians (or as I hope to show, Jews) believe that we "pray to the same God."*
