Hamo has made some interesting points on what are the essentials of a missional community. I'd be interested to know what other points you think should be added - but add them to his blog, not mine.

> *1. For people to know Jesus and experience his salvation in its fullness - kinda obvious?â€¦*
>
> *2. For the kingdom of God to take root in an area â€“ to seek the welfare of the city as Jeremiah 29 puts it.*
>
> *3. For peopleâ€™s dignity to be upheld in the middle of the process â€“ we are not conquerors and colonisers.*
