# GOD'S TIME IRONING

One of the great things about Africa are the street signs for businesses. I love this one for God's Time Ironing and Dry Cleaning. Apparently the three countries of Benin, CÃ´te d'Ivoire and Senegal all have confidence in this company.

I was moved to think that if a thousand years are like a day to the Lord (Psalm 90:4) I'd be worried if God's Timing dry cleaners told me it would take a day to clean my clothes. I mean, they may not fit me in a thousand years!
