ROGER WELCH: SERMON ON SUPPORTING BIBLE TRANSLATION

Posted on January 25, 2006 by Eddie

Categories: Bible Translation, Mission

Roger Welch, of Merland Rise Church (and Wycliffe Bible Translators) has an interesting sermon based on Acts 16 about supporting Bible translation in India. The sermon addresses issues of particular relevance to Merland Rise Church, but also looks at some of the bigger ethical issues mission support both for national missionaries and expats. The sermon is available as an MP3 download. Other sermons from Merland rise can be found here.
