ME ON CONTEXTUALISATION

Posted on January 15, 2018 by Eddie

A look back at an old video of me talking about contextualisation.
Category: Translation and Mission

For one reason or another, I had a look at this old video from 2009 and decided that it was worth revisiting. It takes about 15 minutes, but I hope you'll think it's worth it. The video introduces an important topic and gives a small challenge to churches in the UK.
